GoPro® and HERO® are registered trademarks of Woodman Labs, Inc. in the United States and other countries. Arkon Resources, Inc is not affiliated with Woodman Labs.

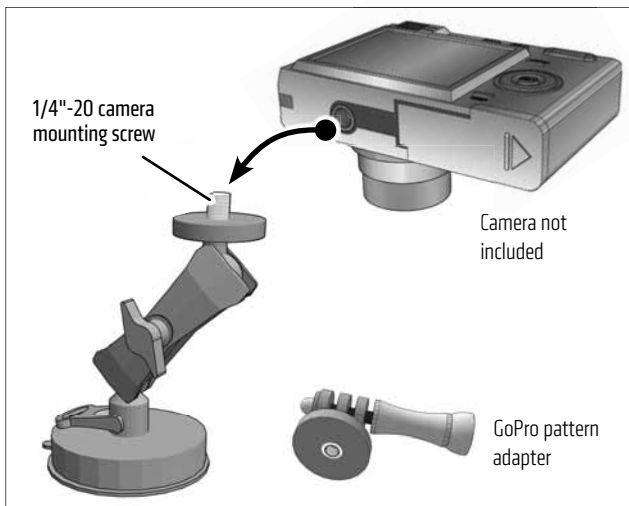

**1** Insert the adapter ball into the mount (sold separately, not included) by loosening the adjustment knob and inserting the 25mm ball.

**2** Remove screw from the 3-prong bracket and insert GoPro camera and case, then re-insert screw. Tighten and rotate as needed.

**OPTIONAL:** To attach any small action camera with a 1/4"-20 mount connection, unscrew the GoPro pattern end of the 25mm ball adapter.

**Safety Precautions**

Arkon is not responsible for any damages caused to your device or yourself due to the installation or use of this mount.
