

# CMP128 | 1" Multi-Angle Adhesive Dashboard or Console Mount with Camera & Video Recorder Mounting Adapter

CMP128  
Multi-Angle Dashboard Mount  
with Camera Adapter Plate

## Package Contents:

- (1) CM048-2 - 1" Multi-angle adhesive dashboard or console mount
- (1) Alcohol cleaning pad and (3) Self tapping screws (optional)
- (1) AP-CMP - Camera adapter plate with 1/4"-20 mounting screw

NOTE: This mount is intended for small, lightweight cameras only.

Drilling into the dash, floor, or console will permanently damage the vehicle. Use caution and consult a mobile install professional to avoid drilling into the gas tank, electrical system or other highly sensitive vehicle components.

## Dashboard or Console Adhesive Mounting

- Step 1. Find a safe location on the dashboard or console to mount the pedestal. Make sure the area is clean and dry. Use the included alcohol pad to clean the mounting surface.

- Step 2. Remove the adhesive backing (A) under the triangular pedestal and firmly press into place.

- Step 3. After adhesive has bonded at room temperature (approx. 72° F), allow 24 hours prior to use for best results.
- Step 4. Adjust the angle of the pedestal head by firmly holding the base and rotating to the desired angle.

## Dashboard or Console Screw Mounting (Optional)

- Step 1. Find a safe location on the dashboard or console to mount the pedestal. Make sure the area is clean and dry. Use the included alcohol pad to clean the mounting surface. Remove the adhesive backing (A) under the triangular pedestal and firmly press into place.
- Step 2. Using a screwdriver, tighten the 3 screws (B) through the pedestal base into the mounting surface. Adjust the angle of the pedestal head by firmly holding the base and rotating to the desired angle.

## Mount Camera to Camera Adapter Screw

- Step 1. Mount the camera or video recorder to the standard 1/4"-20 mounting screw on the adapter plate. Remove the adapter plate by depressing the release button (C) on the mounting plate and sliding it out, then attach the camera to the camera mounting screw and slide back into the mounting plate (D).

## Safety Precautions

Do not install Arkon products over an air bag cover or within the air bag deployment zone. Arkon Resources, Inc. assumes no responsibility of liability for injury or death as a result of car crashes and /or air bag deployment.

Arkon is not responsible for any damages caused to your car, your device, or yourself due to the installation or use of this pedestal mount.
