

## Included Components:

- A. 1x RoadsVise® Ultra Pro Holder w/ AMPS Pattern (**RVPTAMPS**)
- B. 1x Metal AMPS Drill Pedestal with 3.75" Arm (**RM2XAMPS-MET**)

**Important:** Clean the application surface and make sure it is free of dirt, dust, and grease before installation.

### 1 Disassemble AMPS adapter plate from pedestal

To detach the AMPS adapter plate from the drill base pedestal, turn the shaft knob counterclockwise until the components separate.

### 2 Install the AMPS adapter plate to the holder

Align the AMPS 4-hole adapter on the back of the holder. Then, insert the four mounting screws through the AMPS 4-hole ball adapter plate and into the holder. Finally, secure the screws tightly.

### 3 Mount installation

To secure the pedestal to the mounting surface, align the screws (**not included**) with the AMPS adapter. If necessary, detach the shaft from the adapter to streamline the installation process.

#### WARNING

CHOKING HAZARD - Keep out of reach from children under 8 yrs. as they can choke or suffocate on parts included with this system

#### WARNING

Arkon® is not responsible for any damages caused to your device or yourself due to the installation or use of this mount. Do not install Arkon® products near areas that interfere with operation of vehicles. Arkon® assumes no responsibility or liability for injury or death as a result of failure to install in a safe location. Arkon® is not responsible for any damages caused to vehicles, product, or people due to the installation or use of this product.

### 4 Assemble the components

Locate the shaft arm and turn to the adjustment knob counterclockwise to expand. Insert the 25mm ball ends into the shaft. Turn clockwise to tighten.
