

Package Contents:

- (1) GN088-SBH – 18" Flexible Aluminum Seat Rail or Floor Mount
- (1) TAB001 – Slim-Grip® Universal Tablet Holder

The Slim-Grip Universal Tablet Holder fits all tablets with 8.9" - 18.4" screen size. It includes 4 short, 2 medium, and 4 long support legs. Select a combination of 4 support legs in conjunction for use with the spring-loaded holder to achieve the perfect fit for your tablet.

IMPORTANT: This is a spring-loaded holder. After selecting and installing the support legs that will fit your tablet, **push down on the lower legs to engage the spring-loaded holder** and mount your device.

Passenger Seat Bolt Mounting

For a simple mount that can be easily moved to another vehicle, install using the passenger seat track bolt.

Alternative Floor or Console Mounting

For a more permanent mount, connect the floor / console mount bracket to the floor or console. This will require drilling into your vehicle's interior surface.

! Drilling into the dash, floor, or console will permanently damage the vehicle. Use caution and consult a mobile install professional to avoid drilling into the gas tank, electrical system or other highly sensitive vehicle components.

Fig. A Screw the mount bracket to the mount. Depending on your vehicle, you may need to change the orientation of the bracket.

Fig. B Attach the floor / console bracket with screws.

Attach the tablet holder to the mount and insert tablet.

Optional: Attach included metal conduit to console to minimize vibration.

! **Safety Precautions**
Arkon is not responsible for any damages caused to your vehicle, your device, or yourself due to the installation or use of this mount.

Do not install Arkon products over an air bag cover or within the air bag deployment zone. Arkon Resources, Inc. assumes no responsibility of liability for injury or death as a result of car crashes and / or air bag deployment.
