Tablet and phone stand is ideal for iPhone/smartphone and tablet live streaming on Periscope, Facebook Live, and other broadcasting platforms.

Arkon's RoadVise™ universal holder fits all phones up to 4" wide with large or ruggedized cases.

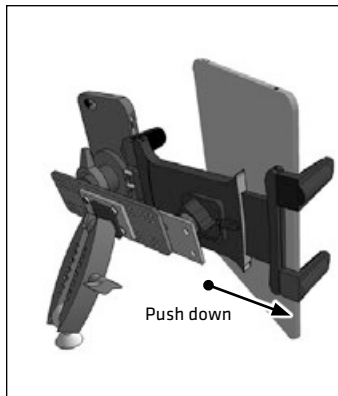

The Slim-Grip Universal Tablet Holder fits all tablets with 8.9" - 18.4" screen size. It includes 4 short, 2 medium, and 4 long support legs. Select a combination of 4 support legs in conjunction for use with the spring-loaded holder to achieve the perfect fit for your tablet.

Use with Tripod:

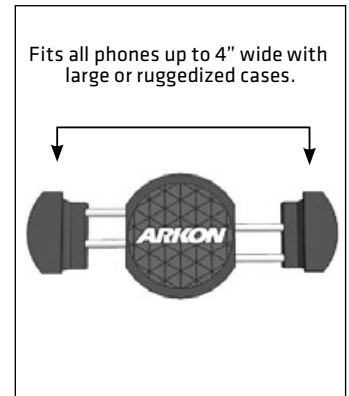

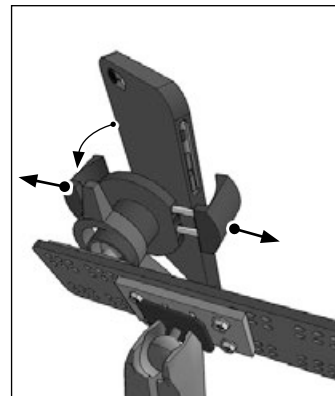

Inserting Tablet:

Insert device into holder by pushing down into the bottom spring-loaded support legs with the device. Slide the top of the device under the top support legs until it fits snugly in the holder.

Inserting Phone:

Using two hands, insert phone into the holder by pushing the device into one of the spring-loaded legs. Expand the other leg and fully insert device until it lays flat against the blue rubber pad.

! Safety Precautions
 Arkon is not responsible for any damages caused to your device or yourself due to the installation or use of this tripod or monopod mount.
